

## Breakout

Foo Fighters

You make me dizzy running circles in my head  
One of these days I'll chase you down  
Well look who's going crazy now  
We're face to face my friend,  
Better get out  
You know you make me break out  
I don't want to look like that  
You can see this on my face  
It's all for you  
The more and more I take  
I break right through  
Therapy still scares me  
Putting me on my back again  
I may be crazy, little frayed around the ends  
One of these days I'll phase you out  
Burn it in the blast off watching me crawl away  
Try to get out
