

But, Honestly

Foo Fighters

Where you off to with that head of yours
Is there somewhere you should be
Was it something that I said the time I held you down
And told you it's not you, it's only me, baby

Don't take what I don't need
(Give me back my piece of mind)
Don't say what I don't mean
(Give me back my precious time)
No way you'll silence me
You'll see

What you up to now your mirror's gone?
Is there someone you should be?
Did you think I was just fooling around with you?

But, honestly
But, honestly
But, honestly

Don't take what I don't need
(Give me back my piece of mind)
Don't say what I don't mean
(Give me back my precious time)
No way you'll silence me
(Give me back my piece of mind)
No where to hide from me
You'll see

And tonight I thank the stars
As I count my lucky scars
For everything you've given me
And all the words I gave to you
Something borrowed, something blue
If you want them back

I'll give it to you
I'll give it to you
I'll give it to you
I'll give it to you (4x)

I don't want one thing that I gave to you
I don't want one thing that I gave to you
I don't want one thing that I gave to you
I don't want one thing that I gave to you (2x)
