

Everlong

Foo Fighters

1. Hello I've waited here for you
Tonight I throw myself into
And out of the red out of her head she sang

2. Come down and waste away with me
Down with me
Slow how you wanted it to be
Over my head, out of my head she sang

R: And I wonder
When I sing along with you
If everything could ever feel this real forever
If anything could ever be this good again
The only thing I'll ever ask of you
You've got to promise not to stop when I say when
She said

3. Breathe out so I can breathe you in
Hold you in
And now I know you've always been
Out of your head out of my head I sang

R: And I wonder...

And I wonder
If everything could ever feel this real forever
If anything could ever be this good again
The only thing I'll ever ask of you
You've got to promise not to stop when I say when
