

Friend of a Friend

Foo Fighters

He needs a quiet room
With a lock to keep him in
It's just a quiet room
And he's there

He plays an old guitar
With a coin found by the phone
It was his friends guitar
That he played

He's never been in love
But he knows just what love is
He said nevermind
And no-one speaks

He thinks he drinks too much
Cos when he tells his too best friends
'I think I drink too much'
No-one speaks
No-one speaks
No-one speaks

He plays an old guitar
With a coin found by the phone
It was his friends guitar
That he played

When he plays
No-one speaks
No-one speaks
When he plays
No-one speaks
