

Have It All

Foo Fighters

1. You're my size I need to try you on
someone in between the right and wrong
through everything you kept your wings apart
through everything you stayed the same old heart
and when I've had enough

R: She drains me when I'm empty
she fills herself
she takes it all
in too deep, she's spilling over me
in too deep, she's spilling over me
go on and have it all

2. Winding through this maze you hold me in
searching all these days to find the end
you're everything I'm not
but I'm anything, I'm anyone you want
and when I've had enough

R: She drains me...
...
have it all
have it all

*: You're everything you're everything I'm not
I'm anything I'm anyone you want

R: She drains me when I'm empty
she fills herself
she takes it all
in too deep, she's spilling over me
in too deep, she's spilling over me
in too deep, she's spilling over me
in too deep, she's spilling over me
have it all
