

## How I Miss You

Foo Fighters

How I miss you  
How I miss you  
How I miss you  
I should never call  
How I hope that you still miss me

Did I lose you?  
Did I lose you?  
Did I lose you?  
Somewhere down the line  
Hide and seeks alright if I find

Do you miss me  
Like I miss you  
If you miss me,  
Never go away  
Hopefully, you'll come stay someday

If you're leaving,  
come back soon  
That's not easy to say

I'll wait here,  
dream of you  
all alone as I ache
