

Iron Rooster

Foo Fighters

Have you ever been dumb enough to do what you wanted to do
Without good reason coming over you?
Have you ever been young enough to feel what you wanted to feel
?
Take back those years for something real

I'm an iron rooster
Cold and still
Your regular sculpture
Held against my will

Have you ever been drunk enough to say what you wanted to say
Without no words getting in the way?
Have you ever been in love enough to be who you wanted to be?
I won't mind you if you don't mind me

I'm an iron rooster
Cold and still
Your regular sculpture
Held against my will

Can you believe?
I won't believe it's over now
Do you remember being children?
Do you remember when? Now

I'm an iron rooster
Cold and still
Your regular sculpture
An iron rooster
Cold and still
Your regular sculpture
An iron rooster
An iron rooster
An iron rooster
Held against my will
