

Learn to fly

Foo Fighters

1. Run and tell all of the angels, this could take all night
Think I need a devil to help me get things right
Hook me up a new revolution, 'cause this one is a lie
We sat around laughing and watched the last one die

@: I'm looking to the sky to save me
Looking for a sign of life
Looking for something to help me burn out bright
I'm looking for a complication,
looking 'cause I'm tired of lying
Make my way back home when I learn to fly.

2. I think I'm done nursing the patience, it can wait one night
I'd give it all away if you give me one last try
We'll live happily ever trapped if you just save my life
Run and tell the angels that everything is alright

@: I'm looking...
Make my way back home when I learn to fly
Make my way back home when I learn to...

2x @: Fly along with me I can't quite make it alone
Try to make this life my own

@: I'm looking...
Make my way back home when I learn to

@: I'm looking...
Make my way back home when I learn to fly
Make my way back home when I learn to fly
Make my way back home when I learn to
