

# New Way Home

Foo Fighters

have you found your way around the down and out?  
I know it must seem long so long  
I'm still trying to keep this time from running out  
head down  
always moving on and on and on

I never heard this warning  
another early morning  
takes me  
wakes me into  
if you could manage me  
I'll try to manage you  
but lately it's all I ever do

I felt like this on my way home  
I'm not scared  
I pass the boats in the kingdom  
I'm not scared

I'll never tell you the secret I'm holding  
I know these things must bore you  
but I can't find another way  
I'll never tell you the secrets I'm holding  
I love this leash that holds me  
when I try to run away
