

## Next Year

Foo Fighters

I'm in the sky tonight,  
there I can keep by your side  
Watching the wide world riot and hiding out  
I'll be coming home next year

Into the sun we climb  
climbing our wings will burn white  
everyone strapped in tight  
we'll ride it out  
I'll be coming home next year

Come on get on get on  
take it till the life runs out  
noone can find us now,  
living with out heads underground

Into the night we shine  
lighting whe way we glide by  
catch me if I get too high  
when I come down  
I'll be coming home next year

I'm in the sky tonight  
there I can keep by your side  
watching the whole world wind around and round  
I'll be coming home next year

I'll be coming home next year  
I'll be coming home next year  
everythings alright up here  
if I come down  
I'll be coming home next year

Say goodbye, oh  
say goodbye, oh  
say goodbye, oh  
say goodbye

I'll be coming home next year  
I'll be coming home next year  
everythings alright up here  
if I come down  
I'll be coming home next year  
I'll be coming home next year  
I'll be coming home next year
