## Podunk

## **Foo Fighters**

Power is as sacred to that they never even teach only if it's black or white see the challenges open eyes are broken if you'd just consider me cut you loose, I feel like I gotta gotta go!..

Find a(n) answer help yourself
find a(n) answer help yourself

Whatever kind of phony body chewed it through the night soda is left to block away the case of broken heart spit out fast for fun for it's the only way to win take my breathe come back inside, oh I gotta gotta go!

I got the answer help yourself find any answer help yourself help yourself, help yourself.
