

Resolve

Foo Fighters

1. Something that I felt today
Something that I heard
Swinging from the chandelier
Hanging on your word
I remember watching you
Once upon a time
Dancing from across the room
In another life

R: A little bit of resolve is what I need now
A little bit of resolve is what I need now
Pin me down, show me how (2x)

2. Looking back to find my way
Never seemed so hard
Yesterday's been laid to rest
Changing of the guard
I would never change a thing
Even if I could
All the songs we used to sing
Everything was good

R: A little bit...

3. One more year that you're not here
Has gone and passed you by
What happened to you?
What happened to you?
One more tear that you won't hear
Has gone and passed you by
What happened to you?
What happened to you?

R: A little bit...
