

Sean

Foo Fighters

Hey you're right, I caught you on the phone
Dirty hands
Been hallucinating, me and Sean
Time to turn his head and I'm gone
Yeah who you running from?

Someone left their on the lawn
Twenty
Been commiserating, me and Sean
faces get along
Yeah who you running from?

Sean,
Sean,
Sean,
Sean.

You've been waiting in the wings
Waiting in the wings

I was looking for the
13 hours till I'm back home
Been obliterated, me and Sean
Getting good and getting gone
Yeah who you running from?

Sean,
Sean,
Sean,
Sean.
