

The Deepest Blues Are Black

Foo Fighters

1. Shame on you
Seducing everyone
Faded you
Your diamond in the rough
You don't have to tell me
I know where you've been
Shinning once again
2. Will you do
The thing you've always done
Tell me true
I think you know the one
One that makes me blurry
Colors start to run
Everytime I wonder
I go under
- R1: The deeper the blues
The more I see black
Sweeter the brew the feeling starts coming back
All the deepest blues are black
3. How my mind is spinning
And my head is going numb
Right from the beginning
Our ending had begun
I can be your trouble
Shiver into you
Shaking like the thunder
Sinking under
- R2: The deeper the blues
The more I see black
Sweeter the brew the feeling starts coming back
All the deepest blues are deepest blues are black
- *: When it comes closing in
Reject
Cause I gotta move
And the simple things get in the openings
Become something new
To remove
- R2: The deeper the blues... (2x)
