

The One

Foo Fighters

Everyone makes one mistake
One more time for old times sake
One more time before the feeling fades

One that's born of memories
One more bruise you gave to me
One more test just how much can I take?

You're not the one,
but you're the only one who can make me feel like this,
You're not the one,
but you're the only one who can make me feel like shit

Something never meant to be
Everything you meant to me
Wake me when this punishment is done

Those who try and get away
From the one who gets away
Someone's always someone else's one

You're not the one,
but you're the only one who can make me feel like this,
You're not the one,
but you're the only one who can make me feel like shit,
You're not the one,
but you're the only one who can make me feel like this,
You're not the one,
but you're the only one who can makes me feel like shit,

Until the end of time,
In another life,
Until the day I die,
Just save it up for one more try,
Save it for the last goodbye,
We go on and get off
And get on and get off

You're not the one,
but you're the only one who can make me feel like this
You're not the one
but you're the only one who can make me feel like shit
You're not the one,
but you're the only one who can make me feel like this
You're not the one
but you're the only one who can make me feel like shit
You're not the one,
but you're the only one who can make me feel like this
You're not the one
but you're the only one who makes me feel like...oh, shit!
