

The Sky Is a Neighborhood

Foo Fighters

A-a A-a A-a-a-a

The sky is a neighborhood
So keep it down
The heart is a storybook
A star burned out

The sky is a neighborhood
Don't make a sound
Lights coming up ahead
Don't look now

2x ©: Oh my dear a heaven is a big band now
Gotta get to sleep somehow
Bangin' on the ceiling, bangin' on the ceiling
Keep it down

Mind is a battlefield
All hope is gone
Trouble to the right and left
Whose side you're on?

Thoughts like a minefield
I'm a ticking bomb
Maybe you should watch your step
Don't get lost
