

Walk

Foo Fighters

A million miles away
Your signal in the distance
To whom it may concern
I think I lost my way
Getting good at starting over
Every time that I return

@1: I'm learning to walk again
I believe I've waited long enough
Where do I begin?
@2: I'm learning to talk again
Can't you see I've waited long enough
Where do I begin?

Do you remember the days
We built these paper mountains
And sat and watched them burn
I think I found my place
Can't you feel it growing stronger
Little conquerors

@1: I'm learning to walk again
I believe I've waited long enough
Where do I begin?
@1: I'm learning to talk again
I believe I've waited long enough
Where do I begin?

Now
For the very first time
Don't you pay no mind
Set me free, again

To keep alive a moment at a time
But still inside a whisper to a riot
To sacrifice but knowing to survive
The first to climb another state of mind
I'm on my knees, I'm praying for a sign
Forever, whenever
I never wanna die

I never wanna die
I never wanna die
I'm on my knees
I never wanna die
I'm dancing on my grave
I'm running through the fire
Forever, whenever
I never wanna die
I never wanna leave
I never say goodbye
Forever, whenever
Forever, whenever

@1: I'm learning to walk again
I believe I've waited long enough

Where do I begin?

@2: I'm learning to talk again

Can't you see I've waited long enough

Where do I begin?

I'm learning to walk again

I believe I've waited long enough

I'm learning to talk again

Can't you see I've waited long enough
