

# Wheels

Foo Fighters

I know what you're thinkin'  
We were goin' down  
I can feel the sinkin'  
But then I came around

And everyone I've loved before  
Flashed before my eyes  
And nothin' mattered anymore  
I looked into the sky

Well I wanted something better, man  
I wished for something new  
Yeah, I wanted something beautiful  
I wished for something true  
Been lookin' for a reason, man  
Something to lose

Ⓢ: When the wheels come down (When the wheels come down)  
When the wheels touch ground (When the wheels touch ground)  
And you feel like it's all over  
There's another round for you  
When the wheels come down (When the wheels come down)

Know your head is spinnin'  
Broken hearts will mend  
This is our beginning  
Comin' to an end

Well, you wanted something better, man  
You wished for something new  
Well, you wanted something beautiful  
You wished for something true  
Been lookin' for a reason, man  
Something to lose
