- 1. I have a choice between the bat or the belt Each time I hear about the hand you've been dealt Spare me confession it's confession you sell Maybe I'll fall behind butI don't mind because I'll catch up
- R1: I want a song that's indelible
 Like manimal
 I hope you never see me wind up
- 2. Will I be happy on the back of the shelf Will you be happy when we're sharing a cell Spare me your questions since you know me so well Someday you'll realize that I get shy and I choke up
- R2: I want a song that's indelible
 Like manimal
 I hope you never see me wind up
 What is wrong with this animal
 I'm terrible
 I hope you never see me wind up
- *: Farewell my sweet paramania Farewell my sweet paramania
- 3. My only promise is that I'll never tell
 Keep you at a distance from the things that I felt
 I'll bite the bullet take the beating until
 I take it all back anyway what was I supposed to say?
- R2: I want a song...
