

# Does Anybody Know?

Fools Garden

Today my baby left me with a smile upon her face  
she was talking japanese about some individual space  
and now I find myself inside this jumbo bed  
I cannot eat not sleep nor move  
Oh god I feel so sad

Why did you do it?  
She said: lift up your head my boy  
Why did you do it?  
You know there ain't no need to cry  
Why did you do it?  
It will be funny when I die

Does anybody know?  
Can anybody say?  
Will she ever come  
Back in anyway?  
Does anybody know?  
Can anybody say?  
Will she ever come  
Back in anyway?  
Yeah, yeah, yeah!

She didn't even realize that I changed my mind today  
Oh god she was as cold as ice and she didn't melt away  
When I told her she's the only one and I would always love her  
She said I'll always love you too my boy but more just like a brother

Why did you do it?  
She said: lift up your head my boy  
Why did you do it?  
You know there ain't no need to cry  
Why did you do it?  
It will be funny when I die

Does anybody know?  
Can anybody say?  
Will she ever come  
Back in anyway?  
Does anybody know?  
Can anybody say?  
Will she ever come  
Back in anyway?  
Yeah, yeah, yeah
