

# It Can Happen

## Fools Garden

It can happen to you,  
it can happen to me,  
it can happen to all of us,  
I'm trying to see  
It's a little too late,  
I've made a little mistake,  
it can happen to anyone,  
so don't be afraid

I can't fix it,  
I can't choose,  
the situation is bad  
you win I loose  
I say: "Sorry",  
you say: "No!"  
So I will pack my things and go  
Maybe it's better when I'm going away,  
I think it's better when I'm trying to stay

I say: "Bottom",  
you say: "Top",  
I could explain  
but you say: "Stop"  
I can't undo this thing I've done,  
I've been an asshole,  
now you're gone  
Maybe it's better when you're goin' away,  
I think it's better when you're trying to stay

It can happen to you,  
it can happen to me,  
it can happen to all of us,  
I'm trying to see  
It's a little too late,  
I've made a little mistake,  
it can happen to anyone,  
so don't be afraid  
Don't be afraid

It's not easy  
It's not right  
that you say: "Black", when I say: "White"  
I feel sorry,  
please believe,  
your little fool has come to grief  
Maybe it's better when you're goin' away,  
I think it's better when you're trying to stay

It can happen to you,  
it can happen to me,  
it can happen to all of us,  
I'm trying to see  
It's a little too late,  
I've made a little mistake,  
it can happen to anyone,  
so don't be afraid  
Don't be afraid

Pretend - release,  
The End - I say "Cheese"  
I can't - stand no more
