

It Can Happen

Fools Garden

It can happen to you,
it can happen to me,
it can happen to all of us,
I'm trying to see
It's a little too late,
I've made a little mistake,
it can happen to anyone,
so don't be afraid

I can't fix it,
I can't choose,
the situation is bad
you win I loose
I say: "Sorry",
you say: "No!"
So I will pack my things and go
Maybe it's better when I'm going away,
I think it's better when I'm trying to stay

I say: "Bottom",
you say: "Top",
I could explain
but you say: "Stop"
I can't undo this thing I've done,
I've been an asshole,
now you're gone
Maybe it's better when you're goin' away,
I think it's better when you're trying to stay

It can happen to you,
it can happen to me,
it can happen to all of us,
I'm trying to see
It's a little too late,
I've made a little mistake,
it can happen to anyone,
so don't be afraid
Don't be afraid

It's not easy
It's not right
that you say: "Black", when I say: "White"
I feel sorry,
please believe,
your little fool has come to grief
Maybe it's better when you're goin' away,
I think it's better when you're trying to stay

It can happen to you,
it can happen to me,
it can happen to all of us,
I'm trying to see
It's a little too late,
I've made a little mistake,
it can happen to anyone,
so don't be afraid
Don't be afraid

Pretend - release,
The End - I say "Cheese"
I can't - stand no more
