Souls

For All Eternity

Your soul is priceless, No sacrifice you can make, so take hold. Priceless, the fear you must forsake, so let go. Priceless, priceless. So was his blood, So was his blood. Flesh can break, I'm full of lies and deceit. Take everything, for I am weak. Ground to take, Draw your sword, Take everything my god till there is nothing left. Ill give it all up, just to be at your side. More of you, less of me. More of you, less of me. Father, Father, slay my beast Father, Father, slay my beast Father, father take my hand, here i am, in awe i stand and show me your everlasting love I cannot describe this, i cannot describe this, i cannot descr ibe this. I cannot describe this. the stones they throw will build us as long as it doesn't kill us the suffering makes us stronger, until we meet our father take my hand save me oh lord, save me. Save me.
