

Hell Or Heaven

For All Those Sleeping

I've got my sins and you're well aware
So when we don't make it out alive
Where do we go from there

I'd give my life up for a single day
Cause it's never enough, no it's never
So if you follow then I'll always wait
Even if that means forever
And on my final day, this is what I'll say

Wipe your tears away
When they bury me
Don't beg me to stay
When I'm finally free
Cause I know, when we meet again
We'll be home, we'll be home
Hell or heaven

I know you're scared but are you listening
Cause I don't think you hear me
Nothing can take your touch from me
Not even where we go from there
What if you can't find me
Then I'll find a way
And on your final day
This is what I'll say

Wipe your fears away
Don't be scared to leave
I won't beg you to stay
Every night in my dreams
Cause I know, when we meet again
We'll be home, we'll be home
Hell or heaven

A lifetime's just too short to share
So will you wait?

Wipe your tears away
When they bury me
Don't beg me to stay
When I'm finally free
Cause I know, when we meet again
We'll be home, we'll be home
Hell or heaven
Wipe your tears away
Don't be scared to leave
I won't beg you to stay
Every night in my dreams
Cause I know, when we meet again
We'll be home, we'll be home
Hell or heaven
