

# Once A Liar (Always A Fake)

For All Those Sleeping

You'll never change  
And you'll never change me.  
I've waited so long to take you down.  
Now we're face to face.

I never wanted anything more than all of you,  
But I know you all too well,  
You only wanted to control me.  
How did I think you were Heaven  
When you put me through Hell?

You are everything I hate  
How can you tell  
what's right for someone  
If you don't know yourself!  
I won't let you bury me (Bury me)  
Cause I won't ever let myself become that way!

The oceans between you  
And where your heart should be  
Is sickening (sickening)

Just wait for the day that you wake up all alone  
And know you'll always be

I never wanted anything more than all of you,  
But I know you all too well,  
You only wanted to control me.  
How did I think you were Heaven?  
When you put me through Hell  
(How did I think you were heaven  
When you put me through hell?)

You are a liar and fake  
Nothing you do will make me change  
You are a liar and a fake  
Nothing about you will ever change  
Once a liar (always a fake)  
Once a liar (always a fucking fake)

Just wait for the day that you wake up all alone  
And know you'll always be

I never wanted anything more than all of you,  
But I know you all too well,  
You only wanted to control me.  
How did I think you were Heaven?  
When you put me through Hell  
(How did I think you were heaven  
When you put me through hell?)

Once a liar (always a fake)  
Once a liar (always a fake)  
Once a liar (always a fake)  
Once a liar always a fucking fake
