

## Resolvent Feelings

### For the Fallen Dreams

Arguing in circles is all we ever do,  
You say we wouldn't be together,  
If it weren't for you,  
Well, It's not for you,  
I'm trying to let myself breathe,  
I'm done feeling misused,  
Release this grip you have on me,  
Let me free,  
Just let me free,  
Pick and choose what you're trying to prove,  
You're too stubborn to be refused,  
I will not take the verbal abuse,  
I will not be damaged or bruised (x3).

Here we go again,  
It's the same old thing,  
It's all been done before.  
I wanna be happy,  
I wanna be free,  
But it's hard to leave.  
When this is comfortable to me.  
We go around and around again,  
There's nothing left to say,  
These problems never go away,  
You've recreated situations in your head,  
That have never happened,  
For the sake of us believe.

Why does this happen time and time again,  
It makes me cringe,  
Why does this happen time and time again,  
It makes me cringe,  
Same old langsyne (x2),  
Put aside all your problems (your problems),  
I don't care how you solve them (you solve them),  
Don't push me aside with all your problems,  
I will not be the one to solve them,  
You may solve them.

Here we go again,  
It's the same old thing,  
It's all been done before.  
I wanna be happy,  
I wanna be free,  
But it's hard to leave.  
When this is comfortable to me.  
We go around and around again,  
There's nothing left to say,  
These problems never go away,  
You've recreated situations in your head,  
That have never happened,  
For the sake of us believe.

And I can't stop you (for the sake of us believe),  
Push aside all your problems,  
Don't throw me with them,  
I will not be your resolution,

When dealing with my own problems,  
How will I resolve them,  
When I'm dealing with yours too.

[Chorus x2]

Here we go again,  
It's the same old thing,  
It's all been done before.  
I wanna be happy,  
I wanna be free,  
But it's hard to leave.  
When this is comfortable to me.  
We go around and around again,  
There's nothing left to say,  
These problems never go away,  
You've recreated situations in your head,  
That have never happened,  
For the sake of us believe.

You've forced me to leave.
