

Say What You Will

For the Fallen Dreams

Please go on with what you have said.
I'm not, I'm not listening.
Is it that easy to lie in your head?
Please stop, please stop pretending.

You'll always ask yourself,
Am I dead, am I dead?
Don't try to fight it off,
In your head, in your head.
And when it comes down to it, try and prove it.
Try and prove it.
And when it comes down to it, try and prove it.
Try and prove it.

Try and prove yourself.
Try and prove yourself.
Try and prove yourself.
Try and prove yourself.

Please go on with what you have said.
I'm not, I'm not listening.
Is it that easy to lie in your head?
Please stop, please stop pretending.

You'll always ask yourself,
Am I dead, am I dead?
Don't try to fight it off,
In your head, in your head.

It's all in your fucking head, it's all in your head.
It's all in your head.
It's all in your head.
It's all in your head.
It's all in your head.

Please go on with what you have said.
I'm not, I'm not listening.
Is it that easy to lie in your head?
Please stop, please stop pretending.

You'll always ask yourself,
Am I dead, am I dead?
Don't try to fight it off,
In your head, in your head.
Try and prove yourself.
