

## Bitter Roots

For Today

Bitter roots  
I can't remove  
The poison inside you

Bitter roots  
Sorrow runs deeper  
Than I ever knew

This thorn in my side  
Was once so easy to hide  
Beneath the surface I tried  
To reach deeper inside  
(inside)  
But I just can't deny

These bitter roots  
I can't remove  
The pain you held on to

Oh these bitter roots  
Feed the disease  
Spoil all the fruit  
My bitter roots

This thorn in my side  
Was once so easy to hide  
Beneath the surface I try  
To reach deeper inside (inside)  
But I just can't deny

Reach deeper down inside  
(Release me)  
Consume the pain I cannot hide  
Reach deeper down inside  
(Release me)  
Consume the pain I cannot hide  
Let me go

Take it all away  
My skin is stronger than soil  
My heart won't be pierced by these thorns

Let me go  
Take it all away

My skin is stronger than soil  
My heart won't be pierced by these thorns  
Tear out the bitter roots
