

# Fearless

For Today

We will not  
We will not  
We will not  
Be afraid

We will not  
We will not  
We will not

We are fearless  
Fearless

We bear the mark of the uncreated God  
So what should we fear?  
We bear the scars of the Holy Risen Son  
So tell me what should we fear?

Every threat is hollow  
Because our victory is already set in stone

We are the fearless ones

We will not  
We will not  
We will not  
Be afraid

Though we stand in this dark valley  
We will not be afraid  
For we know that you are near

You are near

I can feel the courage rising  
In the hearts of the sons of God  
I can feel a fire burning  
Across the earth we stand as one

We are not dismayed by the darkness  
That surrounds us here  
Because we know that when all hell closes in  
If we stand and fight we are not alone

Though we walk through the valley of the shadow of death  
We are not alone  
We will fear no evil for you are near

We are the fearless ones

We will not  
We will not  
We will not  
Be afraid

Though we stand in this dark valley  
We will not be afraid  
For we know that you are near

You are near

He can't stop the kingdom

You'll see him bow at the throne on Judgement Day

So let the devil come

We are fearless

Fearless

So let the devil come
