

Stand Defiant

For Today

Give me strength to stand when the battle rages. I will
never falter on this narrow road.

Give me strength to stand when the battle rages. I will
never falter on this narrow road.

I was made for this battle, and I will never fear my
enemy.

I was made for this battle, the only threat is my
apathy.

I was made for war. (for war...) I was made for war.
And my victory is certain. Yes, my victory is sure.
You'll see me stand defiant, with the warrior that will
conquer all.

Victorious in death, He will never fall.

You'll see me stand defiant, with the warrior that will
conquer all.

Victorious in death, He will never fall.

I am victorious only when I remember who I am.

And heaven's waiting on the glory that He's put in my
hand.

My redemption (my redemption...) is to bring
redemption.

My redemption (my redemption...) is to bring
redemption.

Steadfast, I press on for the freedom of the world, for
that is why my Savior bought me.

You'll see me stand defiant, with the warrior that will
conquer all.

Steadfast, I press on for the freedom of the world.

And my victory is certain. Yes, my victory is sure.

You'll see me stand defiant, with the warrior that will
conquer all.

Victorious in death, He will never fall.

You'll see me stand defiant, with the warrior that will
conquer all.

Victorious in death, He will never fall.

So I stand beside Him, ready for the fight. I was made
for war. (for war...) I was made for war.
