

## The Breaker's Origin

For Today

Fear,  
Pain,  
Confusion,  
Rejection,  
Powerless,  
Helplessness,  
How can I break this cycle of  
hopelessness when I'm broken soaked in the spirit of anger.  
With the roots of bitterness  
rooted in the marrow of my bones,  
flourishing through my soul,  
oh my soul...
