

# Without You

## For Today

Without you  
I'm barely hanging on  
Was there something more that I could have said?  
They say tomorrow's Sun will rise  
But it won't shine here  
Without you

I'm barely hanging on  
Was there something more that I could have done?  
They say tomorrow's Sun will rise  
But it won't shine here  
Without you

Death came into my life  
When the blood stood still in your face  
In that moment of weakness,  
You changed my life forever  
And I had no say  
The Sun has set on the time we had together  
Pain took you away  
Oh!  
Pain took you away  
Death came into my life  
When the blood stood still in your face  
Oh, since that day  
I'm not so fearless anymore  
I have to find a way  
To be stronger than before  
Left here  
Without you

I'm barely hanging on  
Was there something more that I could have said?  
They say tomorrow's Sun will rise  
But it won't shine here  
Without you

I'm barely hanging on  
Was there something more that I could have done?  
They say tomorrow's Sun will rise  
But it won't shine here  
Without you

You took the easy way out  
And you left me to pick up the pieces  
I keep saying I don't hold it against you  
But I'm not sure if I really believe it

I have to be stronger  
I have to be stronger  
I have to be stronger than surrender  
I have to be stronger than surrender  
I have to be stronger than surrender  
Stronger, stronger than surrender  
Stronger, stronger than surrender  
I have to be stronger
