

Broken

Forbidden

The bluebird hatches
Not ready to fly
But when it grows up
It will be able to fly

2X Broken, Broken, Broken, Broken

Broken dreams, Broken wings
But I still gotta fly
Broken hearts, Bluebird sings
And if ya wanna sprane my wings
You will not stop me when I try to fly

The little girl dreams
Of awakening
Into a room
Of a ginormous castle

2X Dreaming, Dreaming, Dreaming, Dreaming

Broken dreams, Broken wings
But I still gotta fly
Broken hearts, Bluebird sings
And if you wanna sprane my wings
You will not stop me when I try to fly

The boy is running
Around the whole track
His heart is hurting
And it feels like he will crack

2X Hurting, Hurting, Hurting, Hurting

Broken dreams, Broken wings
But I still gotta fly
Broken hearrts, Bluebird sings
And if you wanna sprane my wings
You will not stop me when I try to fly

The bluebird is grown
Singing with its pitch
Sings so mellow
And grows more beautifully

2X Broken dreams, Broken wings
But I still gotta fly
Broken hearts, Bluebird sings
And if you wanna sprane my wings
You will not stop me when I try to fly

Dont! Try and stop me
I! Will just keep on going
You! Can hurt me but I
I! Will heal

Broken, Broken, Dreaming, Dreaming,
Hurting, Hurting, Singing, Singing

Broken dreams, Broken wings
But I still gotta fly
Broken hearts, Bluebird sings
And if you wanna sprane my wings
You will not stop me when I try to fly
You wiil not stop me
