

# Black Empire

## Force of Evil

I welcome you all to my world  
A journey down to my true soul  
And maybe you don't like what you see her  
I welcome you all to the home of the Black Empire  
Black Empire

The abandoned house of insanity  
Twisting your mind forever remains  
The castle of pain  
Eventually we all will burn  
And evil will rise from the dust

Enter the gateway - annihilation of all the light  
Enter the gateway - and the Black Empire  
Enter the gateway - dogs of Hell will rule the night  
Enter the gateway - and the Black Empire

Beyond the darkest room, the invisible hell  
Ghost in black will attack  
Evil rising up high, children of the damned  
The unholy kingdom will slaughter all

Enter the gateway - annihilation of all the light  
Enter the gateway - and the Black Empire  
Enter the gateway - dogs of Hell will rule the night  
Enter the gateway - and the Black Empire

A godforsaken house  
Possessed by Satan's Breath  
It's a long walk in the dark  
The path to insanity lies ahead  
Built on poisonous soil and dirt  
Once again the cursed grave  
Will awake the corpses from beyond  
And the holy church will burn

From the dawn of time the fire burned in man  
In every one of us hides another face deep inside  
The beast is asleep but soon it will reappear  
Demon eyes awaits in the dark

The abandoned house of insanity  
Twisting your mind forever remains  
The castle of pain  
Eventually we all will burn  
And evil will rise from the dust

Enter the gateway - annihilation of all the light  
Enter the gateway - and the Black Empire  
Enter the gateway - dogs of Hell will rule the night  
Enter the gateway - and the Black Empire  
Enter the gateway - annihilation of all the light  
Enter the gateway - and the Black Empire  
Enter the gateway - dogs of Hell will rule the night  
Enter the gateway - and the Black Empire
