

# As Long As I Live

Foreigner

I see you in my dreams  
You feel so close to me  
There's nowhere in this world  
That I would rather be  
Forever in this moment  
Forever in this dream

'Cause baby every hour away from you is only a waste of time  
I wanna give my love to you all my life

As long as I live  
Every day and night  
I'll do anything  
To keep our love alive  
That's all I can  
That's all I can give  
As long as I live

Visions of my past  
Fading into gray  
What matters to me now  
Is what I have today  
You and me together  
Is how we will remain

We know that I'll be there to care for you and always by your side  
'Cause that's all I wanna do all my life

As long as I live  
Every day and night  
I'll do anything  
To keep our love alive  
That's all I can  
That's all I can give  
As long as I live

Oh the emptiness  
Broken promises  
Till you came along  
And swept away my lonely days  
Now without your love in my life  
I don't know what I'll do to get by  
Or how I'll survive

As long as I live  
Every day and night  
I'll do anything  
To keep our love alive  
That's all I can  
That's all I can give  
As long as I live

As long as I live  
That's all I can  
That's all I can give  
As long as I live
