## **Break It Up**

Made myself a prisoner I locked myself away Can't remember the last time I saw the light of day Don't want to face life Feel I've been betrayed I want you tell me Where our love went astray

So can't you wait one more minute Why can't you wait one more day Let's get it straight 'Cause it's a big mistake We better think about it

I don't want to break it up Why do we have to break it up? Never ever want to break it up oh no I only wanna make it up tonight

You say you've thought about it But you sound so cold You make it look like our love Can be bought or sold You won't listen You say it's way too late That something is missing And now you just can't wait

Why can't you wait one more minute? Why can't you wait? give me one more day Let's get it straight This is a big mistake We better think about it

I don't want to break it up Why do we have to break it up? Never ever want to break it up Ooh no, I only wanna make it up tonight

So don't say break it up, break it up I wanna hear you say we'll make it up, make it up I don't want to break it up Oh baby, why can't we make it up tonight? Make it up tonight, make it up tonight

And I ask myself What's wrong with me? How could I be so blind? I know she tried to give me everything But I still couldn't see Now as I watch our love slip away I'm begging you, begging you, please

Don't break it up, break it up Take a little time and make it up, make it up I don't want to break it up

## Foreigner

Oh no, I only wanna make it up tonight

I don't want to break it up Baby let me make it up Oh no no, no no I, don't break it up, no no Tonight, make it up, make it up Ooh yeah, make it up, make it up
