Feeling down 'n' dirty, feeling kinda mean
I've been from one to another extreme
This time I had a good time, ain't got time to wait
I wanna stick around till I can't see straight

Fill my eyes with that double vision
No disguise for that double vision
Ooh, when it gets through to me, it's always new to me
My double vision gets the best of me

Never do more than I, I really need My mind is racing, but my body's in the lead Tonight's the night, I'm gonna push it to the limit I live all of my years in a single minute

Fill my eyes with that double vision

No disguise for that double vision

Ooh, when it gets through to me, it's always new to me

My double vision always seems to get the best of me, the best of me, yeah-ah

Ooh, double vision, I need my double vision
Ooh, It takes me out of my head, takin' me out of my head
Ooh, I get my double vision
Ooh, seeing double double, double vision
Ooh, oh my double vision
Ooh, double vision

Yeah-ah, I get double vision, ooh . . .
