

I Don't Want to Live Without You

Foreigner

I find myself in a strange situation
And I don't know how
What seemed to be an infatuation
Is so different now
I can't get by if we're not together
Ooh can't you see
Girl, I want you now and forever
Close to me
I'm longing for the time
I'm longing for the day
Hoping that you will promise to be mine
And never go away

I don't want to live without you
I don't want to live without you
I could never live without you
Live without your love

I ask myself but there's no explanation
For the way I feel
I know I've reached the right destination
And I know it's real

I'm longing for the time
I'm longing for the day
When I'll be giving you this heart of mine
Believe me when I say

I don't want to live without you
I don't want to live without you
I could never live without you
Live without your love

No I don't want to live without you
I don't want to live without you
I could never live without you
Live without your love

Now I don't want to live without you
I don't want to live without you
I could never be without you
Be without your love

I don't want to live without you
Live without your love
Live without your love
You see I'm lost without your love

Ooh...oh
Without your love
