

Another night, an empty bed  
With the devil in my head  
I hear voices everywhere  
I look around but no one's there, I said

It's so out of control  
I'm down deep, I'm stuck in a hole  
I can't go on like this  
I'm all beat up, my life's a mess

I've been a fool, wasted time  
And now I have to draw the line  
'Cause I can't carry on like this

And I'm ready, for my world to change  
I'm ready, for a brand new day  
I'm ready, I've got to find a better place  
Oh oh, cause I'm ready

I can't remember what I did last night  
My body's achin', must've been a fight  
Don't even know where I left my guitar  
My keys, my money, I'm fallin' apart

Caught up in the same old game  
Ten miles high then I'm down in flames  
How can I go on like this

Yes I'm ready, for my world to change  
I'm ready, for a brand new day  
I'm ready, I've got to find a better place  
Oh oh, I'm ready  
Yes, I'm ready

I've been tryin, but I can't win  
I need to pull myself together again  
But I can't do this on my own  
I need someone to take me home

'Cause I'm ready, for my world to change  
I'm ready, for a brand new day  
I'm ready, I've got to find a better place  
Cause I'm ready, yes I am

I'm ready, for my life to change  
I'm ready, I'm just a step away  
I'm ready, I got to find a better place  
Oh oh, cause I'm ready  
I'm ready  
Ooh yeah, I'm ready
