

She's Too Tough

Foreigner

My girl, everybody says she's alright
And I know that she's more than alright
Well, she's a hard headed woman
Got a mean attitude
I may have bitten off more than I can chew
I get a little light headed
At her altitude
But she goes one step higher

If I'm going to spend the rest of my life
With a woman like that, I better think twice

She's too tough
I said she's too tough
From the moment she wakes up
Her mind is made up
She's too tough, she's too tough

My girl, she's got a way about her
I know I can never live without her
She's a hard headed woman
So hard to please
She's got her own way of dealing with me
I'm out on a limb, I'm a cat up a tree
But this tree's on fire

I want that woman for the rest of my life
I don't know if I'm up to payin' the price

She's too tough
I said that she's too tough
From the moment she wakes up
Her mind is made up
She's too tough

You hear she's too tough
Well I don't believe
I'll ever leave her
She's too tough, she's too tough

Well if I'm gonna spend the rest of my life
With a woman like her, I'd better think twice

She's too tough
I said she's too tough
From the moment she wakes up
Her mind is made up
She's too tough, that's right

She's too tough
If I do what I'm told
She's gooder than gold to me
She's too tough

I said she's too tough
When push comes to shove
This must be love

She's too tough

Yeah she's too tough

Well I don't believe

I'd ever leave her, never leave her

She's too tough, she's too tough
