I have been sent here, to kill all of you. Can't see beyond you  
r reach is a world of..  
A world of pain and suffering, everyday you'll re-live.  
Your shameless crucifixion, shameless crucifixion. In Hell.  
I won't think twice, to pull the switch to end. Your life is fa  
ding faster, just like and hourglass.  
That has been running dry.  
This shameless crucifixion. Crucifixion.
