

# The Letter

Forever Slave

[Dedicated to Memory of Rufo Kiss]

My dear friend  
I write this letter  
Because my words  
Can't be heard

Tears of sorrow  
Break this silence  
While your soul is flying  
A long way from here

Along the shore  
Your soul reduced to dust

I'll keep the memories in my heart  
And your soul in my mind.  
You're leaving here forever  
To a place of Avalon.

Along the ocean  
The storm reduced  
Your soul to ashes

- I have lost my dreams
- Today your life is a whisper for the angels
- No please! I must find a new way
- Darling... You have left in the world what you knew
