

She's a Lady

Forever the Sickest Kids

I'm in love with the girl I hate
She enjoys pointing out every bad thing about me.
I'm in love with a critic and a sceptic, a traitor
I'd trade her in a second.

She's a backseat driver, a drama provider
An instant update of the world.
She's a first class liar, a constant forgetter.
(She's attractive but bitter)

Did you scream enough to make her cry?
Did you turn around, turn around
Baby, don't return to me
If you think that I'm not worth your time.
She's a lady and ladies shouldn't be messed with.
She's a lady and ladies shouldn't be messed with.

Take off your shoes, come in the room
And baby, let's try not to argue.
Turn out the lights, turn on the radio
And how can we fight when I'm too busy loving you?
I'm too busy loving you
I'm too busy loving you.

Did you scream enough to make her cry?
Did you turn around, turn around
Baby, don't return to me
If you think that I'm not worth your time.
She's a lady and ladies shouldn't be messed with.
She's a lady and ladies shouldn't be messed with.

Here I am, there you go again (again)
And we will not ever be eighteen again (again)
And I'm worn out of fighting and every night you leave crying
And I could use some time
And here I am, and there you go again (again)...

So here I am and I dieing
And I'm waiting for you, waiting for you.
Come back, come back to me
And I'll take you gladly and I'll take you in again.

Did you scream enough to make her cry?
Did you turn around, turn around
Baby, don't return to me
If you think that I'm not worth your time.
Did you scream enough to make her cry?
Did you turn around, turn around
Baby, don't return to me
If you think that I'm not worth your time.
She's a lady and ladies shouldn't be messed with.
