

# Shut the Front Door (Too Young for This)

Forever the Sickest Kids

[Verse 1:]

And she said, said, said  
when ya gonna call me back?  
when ya gonna come back home?  
And I said, said, said, said  
When I f-f-f-f-feel like it  
I'm much too young for this  
I'm too young for this  
I've got a million things going through my head  
and not enough time to think  
I'm too young for this  
I've got a girl that wants to tie me down  
she's been begging for a diamond ring  
I'm too young for this  
My boss got me swearing a lot  
And I'm picking up the weekend shift  
I'm too young for this  
Oh my god I wanna tell them off  
I wanna 'nade them all and blow them away

[Pre-Chorus:]

I'm playing, I'm playing, just kidding, I'm not  
I'm playing, I'm playing, just kidding, let's blow them away!

[Chorus:]

We don't have to  
listen to you  
We're living it up and doing just fine,  
you live your life and I'll live mine.  
We don't have to  
listen to you

[music]

[Verse 2:]

My girl gained another pound what a catastrophe  
she's just a demon i skin tight jeans  
I'm too young for this  
Got caught in the parking lot  
mcloving in the back seat  
I'm too young for this  
Got a bill in the mail today  
that I don't have money to pay  
I'm too young for this  
Getting sick of all of this  
responsibility  
I'm too young for this

[Pre-Chorus:]

I'm playing, I'm playing, just kidding, I'm not  
I'm playing, I'm playing, just kidding, let's blow them away!

[Chorus:]

We don't have to  
listen to you  
We're living it up and doing just fine,  
you live your life and I'll live mine.

We don't have to  
listen to you

[music]

[Chorus:]  
We don't have to  
listen to you  
We're living it up and doing just fine,  
you live your life and I'll live mine.  
We don't have to  
listen to you

[music]

I'm playing, I'm playing, just kidding, let's blow them away!

[Chorus:]  
We don't have to (I'm too young for this)  
listen to you (I'm too young for this)  
We're living it up and doing just fine,  
you live your life and I'll live mine.  
We don't have to  
listen to you

[music]

I'm too young for this
