

## The Battle

Fort Minor

These hungry rappers battle for a buck and some change  
There really be kids starving  
Give a fuck if it change  
Shock rap  
Not that  
You get signed you might blow up  
Release Party In Iraq.  
You might blow up  
I see you trying to think a few lines you might get at me with  
Slap happy with babies who're born with crack in they cribs  
Too much to cram under you oversized titled  
And the public system failed you  
Either you ignore it or...
