Foster the People

R: Call it what you want, yeah eah  
Call it what you want, want  
I said just call it what you want, yeah eah  
Call it what you want

1. Yeah we're locked up in ideas  
We like to label everything  
Well I'm just gonna do here what I gotta do here  
'Cause I gotta keep myself free  
You're ducking and moving just to hide  
Your bruises from all your enemies  
And I'm in the crossfire dodging bullets  
From your expectancies, yeah

X: (Ouhh ouh, we've got nothing to lose)  
You better run and hide  
Yeah you've crossed the line  
I've got a knife behind my back (just sayin')  
(Ouhh ouh, we've got nothing to prove )  
Your social guides give you swollen eyes  
But what I've got can't be bought so you can just

R: Call it...

2. You've taken your words and you take your judgments  
And stick them onto everything  
If it don't conform to what you were born into,  
Then you run the other way  
You say, "now what's your style and who do you listen to?" who cares?  
Well that rat race ladder-climbing fake-face smile's got nothing on me

X: Ouhh ouh...

R: Call it...

You can call it what you, call it what you  
Yeah eah eah, call it what you want, want  
I said just call it what you want, yeah eah  
Call it what you want
