

Raise above gonna start the war!
What you want, what you need, and what'd you come here for?
Well, eye for an eye and an "F" for fight
They're taking me down as the prisoners riot!

(Ooooh) I've got shackles on, my words are tied
(Ooooh) Fear can make you compromise
(Oooh) With the lights turned up, it's hard to hide
(Ooooh) Sometimes I want to disappear

When I feel kinda bad and don't want to stress
I just pass it off on ability
Well you got what you want, and what you never knew
It's a perfect gift from me to you

(Ooooh) I've got shackles on, my words are tied
(Ooooh) Fear can make you compromise
(Oooh) With the lights turned up, it's hard to hide
(Ooooh) Sometimes I want to disappear

(Raise up to your ability)
You never knew that I could find
What could come when we realize
The sun won't stop with the compromise

(Raise up to your ability)
Can't stand when I disappear
Run around before I'm filled with fear
Like a glue cause my life's on red

(Raise up to your ability)
I know that you want me
Throw me into the sea
For my ability

(Raise up to your ability)
Yeah you're undecided
Yeah I just want to leave it
Yeah but I don't wanna run away

Focus on your ability
Focus on your ability
Now focus on your ability
Focus on your ability

Gain again what they want to steal
Gain again what they want to steal
Gonna gain again what they want to steal
Gain again what they want to steal!
