

I Would Do Anything for You

Foster the People

1. Never want to stand up on myself
Never want to get in the way I said it
I don't know what the plan is but you can
Share with me cause I'll

Be a listening ear to everything you
Say I won't turn away
And I'll Listen open up my heart and I must
Say that I love you so

R: Ooooh la love I've fallen in love
And it's better this time than ever before
Ooooh la love I've fallen in love
And it's better this time than I've ever known

2. Every day is a battle I face
It's a strange life I live but it's what you've decided
I give it all into your hands do what you
will with me and I'll

I'll smile when you speak
Remember all those times I was hoping for something?
And shaking my head from all I had
Done but you never left me

R: Ooooh la love... (2x)

Give it up for you
I would give it up for you
I'd do anything for you
For you

R: Ooooh la love... (2x)

I have Fallen in love
I have fallen in love
