

Everything's Ruined

Fountains of Wayne

Slow down
There's gonna be trouble
You're gonna forget
What you're doing

One false move, baby
Suddenly everything's ruined

Hold on
You're gonna be sorry
You're gonna regret
What you're doing

One false move, baby
Suddenly everything's ruined

And you ought to know
You ought to know
There's only one way this can go

You ought to know
You ought to know
All of the ups and downs,
the highs and lows

Slow down
There's gonna be trouble
You're gonna forget
What you're doing

One false move, baby
Suddenly everything's ruined

One false move, baby
Suddenly everything's ruined
