

Fire Island

Fountains of Wayne

Driving on the lawn
Sleeping on the roof
Drinking all the alcohol
All the kids from school
Will be naked in the pool
While our parents are on Fire Island

Cranking up the tunes
'Til the windows break
Feeding chocolate to the dog
Jumping on the couch
'Til the feathers all come out
While our parents are on Fire Island

We're old enough by now
To take care of each other
We don't need no babysitter
We don't need no father or mother
We're old enough by now
Don't worry 'bout a thing
Don't you remember
Last December
When you went to Steamboat Springs?

Driving on the lawn
Sleeping on the roof
Drinking all the alcohol
All the kids from school
Will be naked in the pool
While our parents are on Fire Island
